

Collaborative Serials Collection Analysis Toolkit

Charlene Sorensen
Netspeed 2008 ~ Edmonton, Alberta
Session D5 ~ October 24, 2008

library.usask.ca

Overview

Serials Analyzer

- identify print/online duplication

Librarians

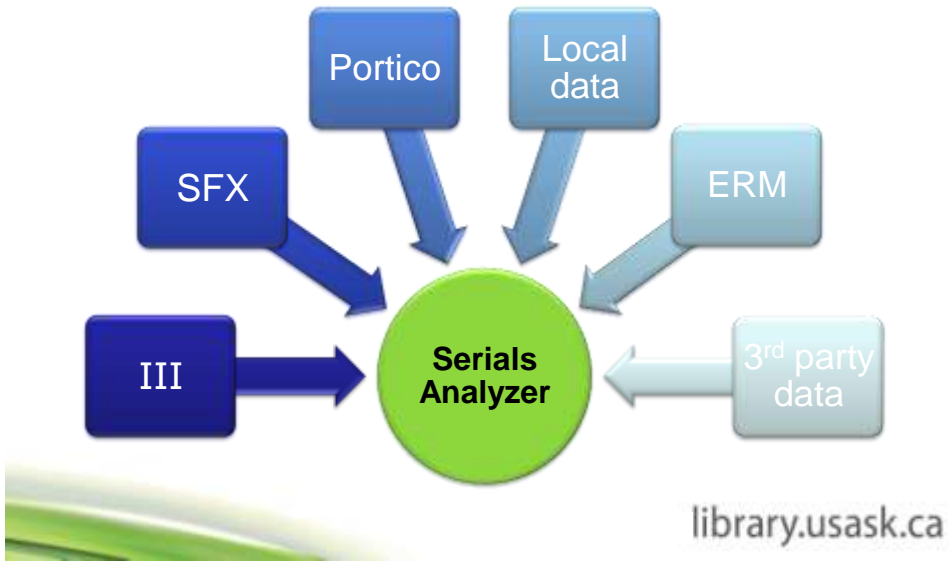

- examine the titles identified
- make a decision
- record that decision

Stack maintenance staff

- carry out the decision

library.usask.ca

Targets - Customize

The screenshot shows the 'Serials Analyzer' interface. On the left, a sidebar contains the user ID 'ces730' and navigation links: 'My account', 'Serials Analyzer', and 'Log out'. The main area is titled 'Targets' and features a 'Name:' field with 'JSTOR' entered. Below this is a list of target organizations, each with an unchecked checkbox:

- ACM Digital Library
- AdsOnline
- AP Scitation Acoustical Society of America
- AP Scitation American Association of Physics Teachers
- AP Scitation American Institute of Physics
- AP Scitation American Physical Society
- AP Scitation American Society of Civil Engineers
- AP Scitation American Society of Mechanical Engineers International
- AP Scitation AVS the Science and Technology Society
- AP Scitation National Institute of Standards
- AP Scitation Society for the Exploration of Geophysics
- AP Scitation Society of Rheology
- AP Scitation SAGE

The URL 'library.usask.ca' is displayed in the bottom right corner.

Targets - Customize

The screenshot shows the 'Serials Analyzer' interface with a list of target organizations. The 'Name:' field is empty. The list includes:

- Ingenio Connect Universities Federation for Annual Welfare
- IngenioConnect Journals
- Institute of Physics Historical Archives
- Institute of Physics Journals
- International Water Association Publishing - IWAP
- iSTAGE Free
- Journals@Ovid
- JSTOR Arts and Sciences 1
- JSTOR Arts and Sciences 2
- JSTOR Arts and Sciences 3
- JSTOR Arts and Sciences 4
- JSTOR Arts and Sciences 5
- JSTOR Arts and Sciences 6
- JSTOR Arts and Sciences Complimentary
- JSTOR Biological Sciences Collection
- JSTOR Ecology and Botany
- JSTOR Health & General Sciences
- JSTOR Life Sciences Collection
- Karger
- Law@News.com
- LOCUS - SAGE's Online Journal Archive
- Lungworth Publishing
- Mary Ann Liebert Publishers
- MEDCONSOLE Collection Journals
- MEDCONSOLE eClass
- medRxiv Indian Medical Centre

The URL 'library.usask.ca' is displayed in the bottom right corner.

library.usask.ca

Realities

- Takes some time
- Does not make decisions
- Requires talking to faculty
- Does not write policies
- Provides a snapshot
- Does not clean up data

library.usask.ca

Data Challenges

- Out-of-date link resolver
- Missing ISSNs in bib records
- Incorrect ISSNs
- Lacking 090s
- Missing online volumes/issues/articles

library.usask.ca

Benefits

- Allows for informed, collaborative decision-making
- Provides opportunities for consultation with faculty
- Takes minimal time
- Maintains a record of actions taken

library.usask.ca

Possible Enhancements

- More information
 - perpetual access info from licenses
 - e-journal usage data
- Usability
 - Boolean operators within categories
 - improved navigation

library.usask.ca
